

Since 1990, Nightlights have been entertaining at weddings and has built up a reputation of being one of the best entertainers in Berkshire, adjoining counties and the London area.

We have a vast collection of music, ranging from the 50's through to modern day chart hits, so we can assure you that all tastes can be catered for. During the evening we aim to play something that appeals to each and every one of your guests.

Our sound system is crystal clear and set to just the right volume to create excitement on the dance floor but your seated guests can still hold a conversation comfortably. Our lighting is designed to create an atmosphere and get everyone into the party spirit.

Presentation is also an important part of our package, professional and friendly DJ's for those all important and special occasions.

To ensure that standards are kept we are members of various industry associations including the National Association of Disc Jockeys (NADJ) and carry £10Million Public Liability Insurance (PLI). For safety, our equipment is tested to conform to the latest Portable Appliance Test (PAT) regulations.

"Thank you for such a brilliant evening at our wedding. The music was excellent & ensured the floor was full all night. Thanks again,"
Ruth & Joe

"Thank you for providing us with a great disco which rounded off our day. Paul and myself appreciated your time and efforts to make it so special." Helena & Paul

"Thank you so much for being such a great DJ for our wedding. It was so nice that you clearly took into account our likes and dislikes, and thank you so much for finding out first dance song for us! Everyone had a great time on the dancefloor." Rachel & Phil
